INTRODUCING ANGLICAN CHURCHES IN THE NORTH WEST OF WA

We Anglicans in the NW of WA are concerned for those involved in the mining industry in our huge part of WA. Our Ministers want to be available wherever you may be working or planning on working.

I have been the Bishop of the area for nearly six years. I'm based in Geraldton. We have a team of 23 Bible based Ministers who live in Kununurra, Broome, Hedland, Paraburdoo, Newman, Karratha, Dampier, Wickham, Exmouth, Carnarvon, Denham, Kalbarri, Northampton, Geraldton, Dongara & Mingenew.

Many of the Churches we care for are more like Community Churches, with a healthy mix of people from many denominations and nationalities. So we lead informal and relaxed Church Services which cater for such a mix. The Bible is the basis of all that is taught in Services and in small groups which gather through the week.

Some of our Ministers visit the mines, by invitation. They are approachable and eager to help.

If you would like to be put in touch with one of our Ministers, then you can call Telstra 1223 and ask for the number of the Anglican Church in your area. Alternatively, you can contact our office in Geraldton and our friendly staff will be happy to refer you to your nearest Minister. 0899217277 or reception@anglicandnwa.org

Whether you are seeking the truth about Christianity or are a mature Christian, we are here for you. If you are lonely or need some other sort of help, feel free to be in touch.

I appreciate the ministry of *Out of the Pit* and we are glad to be associated with them.

Sincerely,
David Mulready (Bishop)
